SOLTERRA

Genuine Subaru Solterra Accessories

The first global all-electric SUV from Subaru.

Introducing the 2023 Subaru Solterra, the groundbreaking SUV that blends all-electric efficiency with legendary Subaru design and engineering for the first time. In developing the Solterra, the first Subaru battery-electric vehicle (BEV) to be launched globally, the engineers set out to create a fun and practical SUV that would represent a cornerstone for the future.

COMFORT AND CONVENIENCE

Relax and recharge

Your Subaru Solterra is always up for the challenge, whether you're headed for familiar territory or parts unknown. Upgrade your experience with Genuine Subaru Accessories that add ease and enjoyment to any excursion.

Ash Tray and Holder

Fits conveniently in the center console cup holder and is easily removed to empty contents. Includes mounting sleeve.

Cargo Cover

Adds security and helps to protect the contents of the cargo area from prying eyes.

COMFORT AND CONVENIENCE

Cargo Net

The multi-functioning rear cargo net neatly holds cargo vertically or flat and prevents it from sliding while Solterra is in motion.

Cargo Organizer

Conveniently transports your outdoor gear or up to four grocery bags. Quickly collapses for easy storage when not in use.

Homelink Mirror

Mirror automatically darkens when headlights are detected from behind. Features an electronic compass and can operate three HomeLink compatible devices.

The spark of adventure

Go ahead. Set your sights on uncharted territory. Gear up for adventure without fear of leaving it all behind. Genuine Subaru Lifestyle Accessories are specifically designed to carry your gear, so you can maximize the space inside your Subaru Solterra – and your experience.

Crossbar Set - Aero

The aero crossbars offer an aerodynamic profile that helps to minimize wind noise. Add extra cargo space quickly with easy installation and removal. Compatible with genuine Subaru roof accessories.

Consult vehicle owner's manual for total roof load limit.

Late Availability

Crossbar Set - Extended

Manufactured in conjunction with Thule, the extended crossbars provide a larger surface area to mount multiple accessories. Compatible with Thule Genuine Subaru roof accessories.

Consult vehicle owner's manual for total roof load limit and weight restrictions.

Late Availability

Thule Bike Carrier - Single, Fork Mount

Travel with confidence knowing that your other ride is all locked up. This fork-mounted bike carrier securely holds one bike with a locking skewer and rear wheel hold-down strap. Bike carrier mounts only to crossbar set.

*Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Activity Mount

The genuine Subaru Activity Mount features a durable steel construction and is designed and tested to maintain the safety of Solterra. The 1¼ inch receiver is compatible with the genuine Subaru Rear Mounted Bike Carrier (2 bike).

Activity Mount is not a trailer hitch and is not intended to tow a trailer.

Activity Mount Plug

Show your Subaru pride while your activity mount receiver is not in use.

Thule Bike Carrier - Cable Lock (6 feet)

Enjoy the great outdoors with a sense of security. Safely secure your bike around trees, lamp posts or your own vehicle, and drive away with confidence. This cable lock will keep up to four bicycles safe with six feet of thick cable.

Thule Bike Carrier - Fork Mount Lock

Secure your bike with the easy-to-use locking skewer. 9mm lockable quick-release fork mount skewer holds fork in place for stable and secure bicycle transport.

Thule Bike Carrier - Snug Tite Lock

The Thule Snug Tite bike carrier lock is designed to give your rear Activity Mount bike carrier even more security. An additional anti-wobble feature provides locking security and added stability.

Thule Rear Mounted Bike Carrier (2 Bikes)

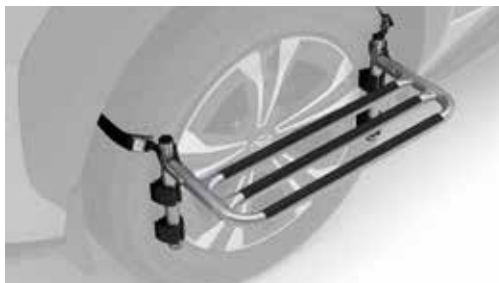

Manufactured by Thule, this lightweight aluminum rack is unique to Subaru and designed to properly attach to the Subaru Genuine Activity Mount. Arms fold down when not in use, and rack pivots backwards for rear of vehicle access. Before installing this carrier, please check the laws of your province regarding license plate visibility. Requires Activity Mount (sold separately).

Thule Bike Carrier - Single, Upright

Extend your adventures and explore new places when you bring a bike on your journeys. The single upright bike carrier is convenient and easy to use. This lockable rooftop rack fastens securely to your roof crossbars.

*Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Wheel Step

Get the extra height you need to easily access all your rooftop lifestyle accessories with convenience. Constructed of heavy-duty steel with rubber bumpers to prevent wheel scraps and scuffs. This step also folds into a carrying bag for easy storage when not in use.

Thule Canyon Cargo Basket

The Thule Canyon roof basket gives you additional storage space while still allowing gear to be easily accessible. With its robust, tubular steel design, it is ideal for hauling gear of all shapes and sizes. Includes the stretch cargo net. Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Ski/Snowboard Carrier

Holds up to six pairs of skis or four snowboards. May also be used to carry fishing rods, wake boards or water skis.

Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Cargo Box - Pulse M

Functional, great-value roof box for the extra space you need the Thule Pulse M is rugged with a durable design that keeps contents protected during transit. Installation is fast and secure due to FastGrip quick-mount system that assembles in moments. Passenger-side opening makes for easier loading and unloading. The CentralLocking system provides maximum safety.

Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Cargo Box - Force XT L

A versatile roof-mounted cargo box for everyday use, the Thule Force XT L provides 16 cu ft of space efficiency. Installation is easy thanks to the PowerClick quick-mount system. The integrated torque indicator clicks when it's properly mounted, ensuring fast and secure fitting. DualSide opening provides easy access to all areas of the box, from either side of the vehicle.

Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Cargo Box - Force XT XL

Store even more with the larger Thule Force XT XL! Store up to 18 cu ft of cargo with ease with DualSide opening to access cargo from both sides of the vehicle. The LockKnob also helps to prevent damage to the Thule Comfort Key. Have full trunk access with minimal risk of contact with the cargo box, thanks to its forward position on the vehicle roof.

Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Canoe Carrier

Thule's easiest loading canoe carrier, features durable gunwales with ramped sides provide easy loading. Cushioned weather-resistant base padding help protect your canoe during transit. Keep it in place with strong, durable load straps with buckle bumpers that protect your Subaru and canoe from scratches. Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Kayak Stacker

Space-saving stacker that holds up to 4 kayaks stacked on their side.

Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately). Includes straps to transport 1 kayak.

Thule Kayak Carrier

Steel design and adjustable padding helps protect your kayak and the wide mouth profile offers easier loading and unloading. The J-style carrier folds down when not in use for increased overhead clearance and improved fuel economy. Cradles and securely transports one kayak up to 36" wide and up to 75 lbs. Includes straps and tie downs for transporting. Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Thule Paddle Board/Surfboard Carrier

Manufactured by Thule, the telescoping design of this stand-up paddleboard (SUP) carrier provides a custom fit for boards up to 34" wide and can hold up to two boards. Heavy-duty, steel reinforced webbing and improved locking mechanism provides security, while the soft, weather resistant padding helps to protect your boards during transit.

Consult vehicle owner's manual for total roof load limit. Crossbar set required (sold separately).

Go where the current takes you

No matter where the journey takes you, there are bound to be a few bumps along the way. Sometimes the road gets rough – chips, dings, scratches and spills. If it does, know that you and your Subaru Solterra will be fully prepared, equipped with Genuine Subaru Accessories to keep your vehicle safe and looking its best a long way down the road.

All-Weather Floor Liners

Available as a set of three (front driver, front passenger and 2nd row), these rubber mats feature higher side walls and provide a superior fit to help protect your interior from snow, salt, sand and spills.

Body Side Moulding

Attractive, colour-matched mouldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings. Door edge guard as pictured is not included and is sold separately.

Cargo Tray

Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean.

Door Edge Guards

Add protection and keep your Subaru looking great! Body side moulding as pictured is not included and is sold separately.

Rear Bumper Protector Mat

The addition of the bumper bib helps protect the top surface of the rear bumper when loading or unloading cargo area. Not compatible with the cargo tray.

Side Sill Plates - Illuminated

Illuminated Side Sill Plates feature the Solterra script in bright white to add an attractive accent to the doorframe. Lighting is activated when the door is opened and turns off when the door is closed. Engineered to stand up to everyday wear and tear to keep your doorframe safe from scratches and scuffs. Complete the lighting effect with the Illuminated Cargo Still Plate.

Splash Guards

Helps protect vehicle paint finish from stones and road grime. This accessory affects ground clearance.

STI Door Handle Cup Protector

Protects your door handle cup area. Comes in carbon fiber pattern for a stylish accent.

Cargo Sill Plate - Illuminated

The Illuminated Cargo Sill Plate features both the Subaru logo and Solterra script in bright white to add an attractive accent to the rear cargo area. Lighting is activated when the cargo hatch is opened and turns off when the hatch is closed. Engineered to stand up to everyday wear and tear to keep your doorframe safe from scratches and scuffs. Complete the lighting effect with the Illuminated Door Still Plates.
